- 3.2. Only kit registered with the necessary Sport's Governing body shall be worn for racing in any discipline supported by the Club. Note: failure to comply with this rule may lead to the disqualification of both the individual runner and any team of which they may be part.
- 3.3. Runners who enter races using their club affiliation must wear Club or neutral colours, not other EA registered club kit unless running for a charity or other club approved running organisation.
- 3.4. In the interests of safety members are expected to wear light coloured or reflective clothing and/or lighting on dark nights whilst running.

4. Training Runs

- 4.1. Training runs are organised by the Club on Tuesday and Thursday nights starting at 18:30 and Sundays at a mutually agreed time and location communicated to members by the club's social media platforms and email.
- 4.2. During the winter months, mid-week training runs start and finish at the Club's base (see 1.3). The use of the car park, lockers, changing facilities and showers at the base are included in the annual membership fee. Membership fee does not include the use of the facilities at the base for non-running or non-club night activities.
- 4.3. During the summer months, mid-week training runs move to The White House Car Park, Penkridge Bank Road, Cannock Chase, WS12 4PR. Runs from here are predominantly off-road / light trail.
- 4.4. The exact date for the switch from winter to summer meeting venue is decided by the Committee based on daylight saving times, prevailing weather conditions etc. Members are alerted to the change both verbally at Club runs and via the Club's social media platforms or website.
- 4.5. Sunday runs are organised throughout the year from agreed meeting points.
- 4.6. Runs from both the Base and over Cannock Chase are structured, pre-determined distances decided beforehand by designated members of the Club. The routes are communicated prior to the run and where possible are posted on the Club's social media platforms or website beforehand.
- 4.7. To ensure the safety of participating runners, regardless of location, members are encouraged to sign a 'Run Register' prior to the start of each run and then sign out on the conclusion of that run.
- 4.8. Designated members of the Club are charged with ownership of the Run Register and will ensure participating Club members have returned to base safely. Members not signing back following a run will be contacted by mobile phone to ensure they are safe.
- 4.9. Members taking part in runs outside the distances designated at the training session may contact the designated Run Register member by pre-determined methods (social media or mobile phone call/text) to sign back in.
- 4.10. Members who choose not sign the run register run at their own risk and discharge the Club of their Duty of Care towards that runner. The designated Run Register member has no responsibility to make contact that member at the end of the run.
- 4.11. Where possible during main runs, 'Lead Runners' with knowledge of the routes will ensure a system of mustering is employed to ensure runners are not left isolated or unintentionally lone running.
- 4.12. It is assumed that runners undertaking training runs with the Club understand the route as communicated.
- 4.13. Whilst running at organised sessions, Club members are reminded of their obligation to conduct themselves with due care and attention to other road or trail users. Care must be taken towards other pedestrians, vehicles, cyclists, horse riders etc. Runners should not endanger themselves, other Club members or members of the public with their actions.

6. Media Policy

- 6.1. The Club uses several media platforms to communicate information to Club and Committee members. The platforms used are Facebook, WhatsApp, ~~Twitter~~ and the Club's Website.
- 6.2. The Club has 3 Facebook accounts. The first one is the Chase Harriers 'closed' group that is restricted to members and friends/associates/partners of the club to post club related items. The second one is the Chase Harriers 'open' page (@chaseharriers) which is open to club members and public to view only, this site is used to post running routes by administrators only, no other people may post on this site. The third

one is the Chase Harriers Beginners page. This is another 'closed' group used for communications when the Club holds a beginners course.

- 6.3. The Club also has a website at www.chaseharriers.org for members of the club to log-in and use for all club based communications.
- 6.4. The official Club WhatsApp group is used by any member of the committee to quickly communicate with all other members of the current management committee.
- 6.5. As the Club is affiliated to England Athletics, all members of the Club when using social media are bound by England Athletics codes of conduct. These codes can be viewed at: www.britishathletics.org.uk/governance/welfare-and-safeguarding/guidance-documents-and-policy.
- 6.6. In using any of the above media platforms Club members are reminded that we must respect all of our members' right to a private life. The Club must also ensure that confidentiality and the Club's reputation are protected at all times.
- 6.7. Those who hold positions of responsibility in the club (e.g. committee members, run leaders, coaches etc.) should avoid making comments on social media on controversial issues with which they have a connection in their role at the club as it may be taken as a statement indicating the position of the Club. If unsure, it is advised to qualify such comments with a statement to the effect: "These views are my own and do not necessarily reflect the views of Chase Harriers."
- 6.8. Any communications that Club members or beginners make in a personal capacity through social media must not bring the club into disrepute, for example by:
 - 6.8.1. Making defamatory comments about individuals or other organisations or groups; posting images that are inappropriate or links to inappropriate content.
 - 6.8.2. Being seen to support (for example by 'liking' or 'sharing' on Facebook) a comment or post that would fall into any of the above categories (note: a comment may be shared purely to make people aware of it but this may be misconstrued as showing support for the statement).
- 6.9. Members must not breach confidentiality, for example by:
 - 6.9.1. Giving away information about an individual (such as a fellow volunteer or athlete) or organisation
 - 6.9.2. Revealing information held by the club where there would be reasonable expectation of confidentiality
- 6.10. Breach copyright, for example by:
 - 6.10.1. Using someone else's images or written content without permission
 - 6.10.2. Failing to give acknowledgement where permission has been given to reproduce something
- 6.11. Members must not do anything that could be considered discriminatory against, or bullying or harassment of, any individual, for example by:

- 6.11.1. Making offensive or derogatory comments relating to sex, gender reassignment, race (including nationality) disability, sexual orientation, religion or belief or age.
 - 6.11.2. Using social media to bully another individual
 - 6.11.3. Posting images that are discriminatory or offensive
- 6.12. No comment should be made about an individual or subject that:
- 6.12.1. Exposes someone to hatred, ridicule or contempt
 - 6.12.2. Causes them to be shunned or avoided
 - 6.12.3. Lowers them in the estimation of 'right thinking' members of society
 - 6.12.4. Disparages them in their office, profession or trade
- 6.13. The Club does, however, recognise that Social Media is a useful tool for all members to share information. Social media can and should be used in a positive way, for example, to make people aware of events, activities or work that you are involved in within the sport and to make positive statements about the successes and activities of athletes, coaches, clubs, volunteers and officials. Social Media can be used to raise awareness of work done by organisations that members are involved in or to answer queries people make have about the availability of support, information or services.
- 6.14. People should be aware that social networking websites are a public forum, particularly if you are part of a "network". You should not assume that your entries on any website will remain private. Most online communities have their own rules and guidelines, which you should always follow.
- 6.15. Serious breaches of this guidance, for example incidents of bullying of other club members, inappropriate usage or social media activity causing serious damage to the club, may lead to club members being subjected to disciplinary procedures as appropriate.
- 6.16. If any club members have concerns regarding conduct on the Club's Social Media channels or by club members as outlined in this section they should contact the Club Chairperson or IT & Social Media Officer who may exercise the right to remove comments or posts - and / or ban users from club social media / online channels and dependent of the severity of the conduct initiate club disciplinary procedures.
- 6.17. Any member who believes they have witnessed possible criminal activity (through Social media or otherwise) should report this activity to the police and inform a committee member.
- 6.18. Members are free to set up Personal Websites, Web Blogs or WhatsApp groups on the internet but must not use the Club name or logo or resources without the approval of the Club Committee.
- 6.19. Members should be aware that in writing a web blog, it is at entirely at their own risk and should not contravene their responsibilities detailed in this policy. If members choose to write about their role within the Club, or discuss athletes, coaches or volunteers, they should first seek consent from the club and the individuals concerned, they should also state on the site that the views they express are theirs only and do not necessarily reflect the views of the Club.

- 6.20. Individuals should also take care to ensure that information contained on web blogs does not breach confidentiality especially those holding roles such as officers of the club/club committee, run leaders, coaches and team managers.
- 6.21. Further Guidance and information on the subjects in this document is available at www.englandathletics.org/socialmedia.

The successful recipient will be the member who receives the greatest number of votes in a paper vote carried out at the Awards evening.

12.4. There is no limit to the number of times a member can win a particular award. Caveats on this rule are as follows:

- 12.4.1. There is a lower age limit to take into consideration for the Best Veteran Award
- 12.4.2. The Best Newcomer Award can only be awarded to a member who has a minimum of 6 month and a maximum of 2 years membership.
- 12.4.3. To qualify for the Most Improved award, members must have demonstrated to the committee a year-on-year improvement.

- 12.5. The Committee's decision on the awarding of a particular trophy is final as long as they are confident that the awardee has clearly demonstrated the majority of the above criteria.
